**MiFID II PRODUCT GOVERNANCE – Professional investors and ECPs only target market:** Solely for the purposes of the manufacturer's product approval process, the target market assessment in respect of the S.O. Bonds has led to the conclusion that: (i) the target market for the S.O. Bonds is eligible counterparties and professional clients only, each as defined in MiFID II; and (ii) all channels for distribution of the S.O. Bonds to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the S.O. Bonds (a **distributor**) should take into consideration the manufacturer's target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the S.O. Bonds (by either adopting or refining the manufacturer's target market assessment) and determining appropriate distribution channels.
